For the purposes of this covenant, eaves, steps, and open porches shall not be considered as part of a building; provided, however, that this shall not be construed to permit any portion of the building on a Lot to encroach upon any other Lot. No portion of any Lot nearer to any street than the building setbacks line shall be used for any purposes other than that of a lawn. Nothing herein shall be construed as to permit a violation of any applicable law, ordinance or governmental regulation.

The same line limitations shall apply on any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distance of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

3.11 Vehicles Not In Use. No automobile or motor-driven vehicle shall be left upon or in front of a Lot for a period longer than thirty (30) days in condition wherein it is unable to be operated upon the public highway, after which time the vehicle shall be considered a nuisance to the welfare of the neighborhood and shall be removed from the Lot at the Lot Owner's expense.

recorded, after which time said covenants shall be automatically extended, for successive periods of ten (10) years unless otherwise provided in an instrument amending this Declaration in the manner provided for herein.

3.15 Grading and Drainage; Retention Pond Maintenance. Without the prior written consent of the undersigned, no construction, grading or other improvements shall be made to any Lot if such improvement would interfere with or otherwise alter the general grading and drainage plan of the subdivision or any existing swales, floodways, or other drainage configuration. Owners of Lots Numbered 2, 3, 4 and 5 on the Plat are prohibited from filling-in, regrading or otherwise altering the edge of the Retention Pond located adjacent to their Lots. In addition, the Owners of Lots Numbered 2, 3, 4 and 5 shall maintain their yards to the edge of the Retention Pond and shall not construct or install any improvement or landscaping which has the effect of interfering with surface water drainage to the Retention Pond.

3.16 Enforcement. Enforcement of these restrictions by the undersigned or by any Owner of any Lot subject to these restrictions may proceed at law or in equity or both against any person or persons violating or attempting to violate any restrictions, and such proceedings may be either to restrain violation or to enforce compliance or to recover damages. No failure to object to any violation of any restriction shall be deemed a waiver of the right to do so thereafter, either as to the same violation or as to one occurring prior to or subsequent thereto. If the undersigned or any Owner of a Lot in Brandy Mill, prevails in a proceeding at law or in equity or both against any person or persons violating or attempting to violate any restrictions, and such proceedings may be either to restrain violation or to enforce compliance or to recover damages, then said person or persons shall be also able to recover legal fees and expenses involved in such action or proceeding.

3.17 Severability. Each one of the covenants contained herein are independent and separate and invalidation of any one of these restrictions by judgment or court order shall in no way affect any other restrictions, which restrictions shall remain in full force and effect.

3.18 Addition of Property. From time to time, the Declarant or any successor or assign, may subject land adjacent to the Property to the terms and conditions of this Declaration without the assent of the Association or the Owners of Lots already included in the Property, and after each subjection, such annexation property shall thereafter be included in the defined term Property as used in this Declaration. Declarant reserves the sole and absolute discretion to add land adjacent to the Property to this Declaration.

3.19 Amendment. So long as Declarant owns at least one (1) Lot within the Property, Declarant may amend this Declaration as it sees fit in its sole discretion. After all Lots are sold and/or transferred, this Declaration is subject to amendment by a majority vote of all members of the Association. Declarant may institute such amendments, including the execution of replats and amendments thereto without the necessity of signatures by any other Members/Owners. This reservation of right to sign such replats and amendments is a covenant running with the land reserved exclusively to Declarant or its successors and assigns and any subsequent conveyance from Declarant shall be subject to this reserved right so that no grantee in any deed or other instrument purporting to grant an interest in a Lot may claim to have received any right to execute replats or amendments.

3.20 Dedication Rights. Declarant and/or the Association hereby specifically reserves the right to "Dedicate to the Use of the Public" any part of or all of the streets, detention areas and easements in part or in full.

3.21 Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the Plat. Within these easements, no structures, plantings or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for those improvements for which a public authority or utility company is responsible.

The Owner of each Lot covered by these covenants shall have an easement over all Lots adjoining his property to discharge over those Lots all surface waters that naturally rise in or flow or fall upon his property. All Lots are subject to such an easement in favor of the Owners of adjoining Lots and their successors and assigns, which easement shall be a covenant running with the property. Except to the extent that any Owner has altered the grade or drainage pattern of his property to the detriment of adjoining properties, in violation of these covenants, any Owner of a Lot who, in violation of this covenant, institutes any legal proceeding against any adjoining Owner for discharge of surface waters over his property shall be liable to indemnify and hold harmless the Owner against whom the proceedings have been instituted from any and all attorneys' fees, damages assessed or other legal expense or cost of any kind incurred in the defense of the proceeding.

3.22 Landscape Buffers. If landscape buffers are required on certain Lots by the City of Columbus, the Owners of such Lots shall maintain in good condition the landscape buffer zones so required.
